- outdoor products (banners, flags) - 80 copies
- fest accessories (passports, currency, certificates, awards) - about 60,000 copies
- media product (website, video, audio spots, sound tracks, anthem)

examples and archive of the souvenirs on our web >>>

# ***Why do you need our project?***

Our project is social and entertaining and has increasing popularity from year to year among and respect among students and their families.

"Student republic" is a phenomenon of the Ukrainian reality, which lays out of the standard public stereotypes. **It is the unique domestic modern bridge to the world of the cultural superior modernity incessantly covering our planet.** It is a constantly developing formation with permanently multiplying structure.

Student Republic is the unique civic project **permanently realising all over Ukraine during more than 10 years.** It is a key event for active youth and students **expecting for it throughout a year.** The program covers first of all the youth groups and student leaders among. The majority of the modern youth activists in Ukraine took part in the «Student republic». Nowadays it is not just a project, but the **live system of regional stages** with winners who are competing to obtain the right to be selected for the final stage participation.

***We believe that the loyalty and the trust to your company or your brand will be increased much among students and youngsters, as well as other people by supporting us.***
